

Hot Fun in the Summertime!!

California...Summer...Picnic - three words that magically bring back memories of delicious barbeques, lazy afternoons and California sunshine. With Inspire Productions' picnic packages, you and your guests can easily create your own great memories, and let the Bay Area's most complete party planner handle every detail. All you have to do is eat, drink, play and enjoy. We'll take care of *everything*. Be a guest at your own picnic!

The fun and games begin as soon as your guests arrive. A mouth-watering gourmet barbeque lunch, prepared by our expert chefs, will be served around noon, after which you can work off some of that great food with company games, or, if you prefer, kick back and enjoy terrific live entertainment. The kids can have their faces painted, be amazed by strolling magicians and balloon artists or spend hours exploring the Jurassic Adventure and other inflatable jumpers.

Our picnic packages come complete with great food, outstanding personal service and exciting activities that will bring a smile to every face.
